OUT OF THIRTEEN BUT ONE LEFT IN RUSSIAN CABINET

SHAKE UP SINCE WAR BEGAN GREATIST IN HISTORY OF NATION

(By Associated Press.)

Petrograd, Sept. 12.—The recent resignation of S. D. Sazonoff, for six years minister of foreign affairs in Russia, and the resignation of A. N. Naumoff as minister of agriculture, to be succeeded by Count Bobrinsky, makes the nineteenth change in the council of ministers since the beginning of the war, and leaves P. L. Bark, minister of finance, and L. K. Gregorovich, minister of marine, the sole survivors of the original thirteen members of the cabinet who held office in August, 1914.

This record is remarkable in a country where constitutional government has never developed the embryo, where ministerial responsibility, general elections, votes of confidence and other parliamentary procedures, which lead to the overthrow of entire ministries, are unknown. Before the war the average tenure of office was long, but during the past two years, it has been measured by months and sometimes by weeks. It is also interesting that the frequent resignations and dismissals have in the main borne no relation to party politics and that men have been replaced by others of the same party affiliations and without any conspicuous difference in political views.

In the case of each dismissal there has been a complete change in the personnel of the department and the ministry of finance is the only one which has not been upset by an almost continuous series of appointments, dismissals and reappointments.

During the period of the war, there have been two prime ministers, two foreign ministers, three war ministers and five ministers of the interior. The ephemeral character of a ministerial post in Russia has provoked considerable comment, for the most part facetious or satirical, in the Russian press. "In the morning, when they wake up," says a writer in the Ruskaya Slova, "all our ministers do the same thing. Each one exclaims: 'Thank God! I am still a minister!'"

GRAND OPERA SEAT SALE FOR GUTHRIE

When the business men of Tulsa deposited \$20,000 as a guarantee for two performances in that city by the Ellis Grand Opera company they did not know whether they would lose it all or not. The opera dates are October 30 and 31, and now, nearly two months ahead of that time, \$19,000 worth of tickets have been disposed of in Tulsa alone. In nineteen cities in the state where advance sales have been or are to be conducted there is an unprecedented demand for seats. It is estimated now that every one of the 4,000 seats in Tulsa Convention hall will be disposed of by October 1.

Stuart M. Hamilton, representing the Tulsa Chamber of Commerce and the Ellis Grand Opera company, will be in Guthrie within the next few days for the purpose of supplying local people who desire to attend the operas with their tickets. Some of the best seats in Convention hall have been reserved for this locality. Information as to the date he will be here and where he can be found can be obtained in due time by calling The Leader office.

MOVIES IN THE CHURCH IS LATEST

Divine Design Makes Ears of Eyes So He Puts Movies in His Church To Aid Him

Columbus, O., Sept. 12.—The Rev. Leonard W. Doolan has installed moving pictures as part of his Sunday sermons at First Baptist church. He said today he did it because he "long ago recognized the divine design in making the eye 80 times as large as the auditory nerve" thus "turning people's eyes into ears." "The movies get the people," said Dr. Doolan, "and why shouldn't the church use modern methods? The movies have added two fold to the church attendance. They are a great drawing card."

HOW TO REDUCE YOUR WEIGHT

A SIMPLE, SAFE, RELIABLE WAY

People who are overburdened with superfluous fat, know only too well the discomfort and ridicule that overtaken people have to bear.

If you are carrying around five or ten pounds of unhealthy fat you are unnecessarily weakening your vital organs and are carrying a burden which destroys the beauty of your figure.

There is no need of anyone suffering from superfluous fat. If you want to reduce your weight in a simple, safe and reliable way, without starvation diet or tiresome exercise, here is a test worth trying. Spend as much time as you can in the open air, breathe deeply and get from Lillie's Drug and Stationery Store or any other good druggist a box of oil of olein capsules; take one after each meal and one before retiring at night.

Weigh yourself once a week so as to know just how fast you are losing weight and don't leave off the treatment or even skip a single dose until you are down to normal.

Oil of korein is absolutely harmless, is pleasant to take, and helps digestion. Even a few days treatment has been reported to show a noticeable reduction in weight, feet become lighter, your work easier and a lighter and more buoyant feeling takes possession of your whole being.

Every person who suffers from superfluous fat should give this treatment a trial.
